FROM : Chief, Planning Staff, OL

SUBJECT: Transmittal of a Study on Office of Logistics Operations
for the Period FY 58 Through FY 63REF : Memo to OL Divisions and Staffs, Subject: "Office of
Logistics Management Analysis", dated 28 April 1964

1. The attached study, entitled "Office of Logistics - Comparative Analysis of Operations, FY 58 through FY 63", was developed according to the plan outlined in the reference. For the most part, the narrative analyses of operations submitted by the separate divisions have been reproduced with a minimum of editing by this Staff. The analysis of the OL budget data was prepared in conjunction with the OL Budget Officer and the divisions concerned.

2. This study is intended as a factual, historical account of Office of Logistics operations for the period indicated. All charts have been prepared to accommodate figures for FY 64 and FY 65, should such continuation be desired. We believe the statistical data and the accompanying explanations of variance in recorded operations would be of value to persons closely associated with the manpower, budgeting and related activities of the Office of Logistics.
